Therefore scholarship holders are advised to have a sufficient amount of money to cover their living costs for at least one month in Hungary. In case of one-month or shorter stays, it is possible that their stipend may be transferred only a few days before – or after - leaving Hungary. Apart from the above-mentioned costs, Tempus Public Foundation cannot ensure any other allowance or support.

Entitlement to Healthcare Services

According to the rules of the European Parliament and Council Regulations 883/2004 (EC) and 987/2009 (EC), scholarship-holders who are citizens of either the European Union, EEA member countries or Switzerland are entitled to healthcare services in medical necessity during their stay in Hungary.

Healthcare services in medical necessity during their stay in Hungary are available for scholarship-holders with the European Health Insurance Card (E111). Medical necessity is determined by the physician who considers the given circumstances. Scholarship-holders should obtain the European Health Insurance Card in their home country prior to the arrival to Hungary.

Further important information: healthcare services can only be provided – according to the equal treatment principle of the European Union - by those healthcare providers that have contractual relations with the National Health Insurance Fund (NEAK). The scholarship holder has to cover the costs of those services that are provided by a private healthcare provider that has no contractual relation with NEAK.

Citizens of all other countries - who wish to stay in Hungary for more than 1 month - are covered for medical treatment in case of sudden illness by the Hungarian party. This insurance does not cover dentistry services, with the exception of urgent treatments. Health insurance covered by the Hungarian party is only available for scholarship holders under the age of 65.

Scholarship-holders staying in Hungary for less than 1 month are required to make their own arrangements for insurance coverage.

MOBILITY REPORT

Scholarship-holders are required to submit an **online professional report and upload a scholarship period certificate issued by the host institution after completion** of their scholarship period. If the scholarship duration certificate does not cover the awarded scholarship period, the scholarship holder is required to pay back the relevant part of the scholarship. (The amount of the reimbursement equals the rounded amount mentioned under the „Scholarship Rates" above: 0, half month or full month) The report must be submitted within 30 days after finishing their scholarship.

Failure to submit the mobility report

In case scholarship-holders fail to submit the report, they will be excluded from further scholarship opportunities and will be required to pay back the scholarship, and their scholarship period will be immediately closed.

Citizens of all other countries - who wish to stay in Hungary for more than 1 month - are covered for medical treatment in case of sudden illness by the Hungarian party. This insurance does not cover dentistry services, with the exception of urgent treatments. Health insurance covered by the Hungarian party is only available for scholarship holders under the age of 65.

Scholarship-holders staying in Hungary for less than 1 month are required to make their own arrangements for insurance coverage.

MOBILITY REPORT

Scholarship-holders are required to submit an **online professional report after completion** of their scholarship period. The report must be submitted within 30 days after finishing their scholarship. If the scholarship duration certificate does not cover the awarded scholarship period, the scholarship holder is required to pay back the relevant part of the scholarship. (The amount of the reimbursement equals the rounded amount mentioned under the „Scholarship Rates" above: 0, half month or full month) The report must be submitted within 30 days after finishing their scholarship.

In case scholarship-holders fail to submit the report, they will be excluded from further scholarship opportunities.
