The image shows a three-step process for using the Nan-Shan University APP:

- Step 1:** The login screen of the APP. It features the university logo and name at the top. Below, there are fields for '帳號' (Account) and '學號' (Student ID), a '密碼' (Password) field, and a '登入' (Login) button. There are also checkboxes for '記住帳號供下次登入' (Remember account for next login) and '同意隱私權政策' (Agree to privacy policy). A large yellow number '2' is overlaid on the login fields.
- Step 2:** The '校園生活' (Campus Life) screen. It displays various icons for '校圖地圖' (Library Map), '交通指引' (Traffic Guide), '緊急通報' (Emergency Alert), and '租屋資訊' (Rental Information). A large green number '3' is overlaid on the bottom right of this screen.
- Step 3:** The '電子證' (Digital ID Card) screen. It shows a user profile for '王小花' (Wang Xiaohua) from the '日四技 資訊管理系' (Day Four Technology Information Management Department). The student ID is 'NA190001'. It includes a barcode and the text '112 學年度第 2 學期 在學狀況：在學' (112 Academic Year, 2nd Semester, Status: Enrolled). The update date is '2024/03/05 12:00'.
