

The Forum of Long-Term Care in 2021

Date: 2021/6/24 (THU) 1 pm - 6/25 (FRI) 1 pm

Online Forum (Webex)

A. Introduction

"The Forum of Long-Term Care in 2021", a two-day forum held by NCKU on June 24th & 25th, 2021 aims to evoke the discussion about the long-term care industries and distance learning in Taiwan. The Taiwan Government has set the goal of developing a high-quality, affordable, and universal long-term care service system able to enhance the elderly's quality of life and reduce the burden on family members under the growing wave of the elderly population. Achieving this will be reliant on Interprofessional collaboration in long-term care.
