

# EVIDENCE BASED ACQUISITION

- 
- ▶ Unlimited access to outstanding research
  - ▶ Purchase decisions based on usage data

## WHAT ARE THE ADVANTAGES OF THE DE GRUYTER EBA MODEL?

*Evidence Based Acquisition (EBA) is an effective way to build your library collection based on usage data. The advantage of our model? The library is in control of making the decisions.*

- ▶ Get 12-month access to all eBooks on the De Gruyter platform or to a sub-set in one of our attractive packages. The library decides which titles to select for perpetual access at the end of the 12-month period.
- ▶ As always, you benefit from the liberal DRM (multi-user, remote access). In addition to the standard PDF versions, you also receive all available ePUB versions.
- ▶ A complete EBA package offers unlimited access to the De Gruyter eBook portfolio and all De Gruyter imprints such as Mouton and Oldenbourg. We also include all the eBooks we offer from our Publisher Partners, including content uniquely available from Columbia University Press and Harvard University Press.
- ▶ New publications will be added to your EBA access automatically, at no additional cost.
- ▶ We aim to keep data management effortless. We offer:
  - monthly tailored MARC records
  - a dedicated MARC record contact
  - KBART files
  - targets with discovery partners
  - monthly COUNTER usage reports
- ▶ An enhanced usage report is provided at the end of the EBA period for making title selection easy
