

## **Workshop on Academic Writing Skills for Research Scholars**

Viphavee Vongpumivitch, PhD

Associate Professor, National Tsing Hua University,

Department of Foreign Languages and Literature

### **Workshop Goals:**

This one-day workshop is designed for nonnative English-speaking researchers who would like to write up their research for publication. The aim of the workshop is to walk the participants through academic writing style as well as how to write each part of a research paper. Both the organization of ideas and language use will be discussed.

### **Workshop Textbook:**

Swales, J.M. & Feak, C.B. (2012). *Academic Writing for Graduate Students: Essential Tasks and Skills* (3<sup>rd</sup> edition). Ann Arbor: University of Michigan.

### **Workshop Outline:**

- Academic writing style, flow, and positioning
- Writing a problem-solution text
- Data commentary
- Writing the method and results section
- Creating a Research Space and the discussion section
