

K 棟無障礙電梯零件損壞照片表

 <p>A photograph of an elevator control panel. The panel features a vertical display showing the number '1' and a wheelchair icon. To the right of the display are five circular buttons labeled 5, 4, 3, 2, and 1. Below the display is a button with a wheelchair icon, which is circled in red. Below this button are two smaller buttons with symbols. The panel is mounted on a metallic surface.</p>	<p>說明：車廂內無障礙關門按鍵</p>
 <p>A photograph of an elevator call button. The button is rectangular and has a small, square, glowing blue display screen in the center, which is circled in red. Below the screen are two circular buttons. The button is mounted on a light-colored, textured wall.</p>	<p>說明：4 樓叫車顯示面板</p>
